PART ONE – VOTING INFORMATION

SOLICITATION OF PROXIES

This Information Circular is furnished in connection with the solicitation of proxies by the Management of Libero Copper Corporation (the “**Company**”), for use at the Annual General Meeting (the “**Meeting**”), of the shareholders (“**Shareholders**”) of the Company, to be held on Thursday June 13, 2019 at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof. The solicitation will be primarily by mail; however, proxies may be solicited personally or by telephone by the regular officers and employees of the Company. The cost of solicitation will be borne by the Company.

APPOINTMENT AND REVOCATION OF PROXIES

THE PERSONS NAMED IN THE ACCOMPANYING FORM OF PROXY ARE DIRECTORS AND/OR OFFICERS OF THE COMPANY. A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR HIM ON HIS BEHALF AT THE MEETING OTHER THAN THE PERSONS NAMED IN THE ENCLOSED INSTRUMENT OF PROXY. TO EXERCISE THIS RIGHT, A SHAREHOLDER SHALL STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE INSTRUMENT OF PROXY AND INSERT THE NAME OF HIS NOMINEE IN THE BLANK SPACE PROVIDED, OR COMPLETE ANOTHER INSTRUMENT OF PROXY. A PROXY WILL NOT BE VALID UNLESS IT IS DEPOSITED WITH THE COMPANY’S REGISTRAR AND TRANSFER AGENT, AST TRUST COMPANY CANADA, 1600-1066 WEST HASTINGS ST., VANCOUVER, B.C. V6E 3X1 BY 2:00 A.M. (PACIFIC STANDARD TIME) ON TUESDAY, JUNE 11, 2019, OR IN THE EVENT OF AN ADJOURNMENT NOT LESS THAN 48 HOURS (EXCLUDING SATURDAYS, SUNDAYS AND HOLIDAYS) BEFORE THE TIME OF THE ADJOURNED MEETING.

The instrument of proxy must be signed by the shareholder or by his attorney in writing, or, if the shareholder is a Company, it must either be under its common seal or signed by a duly authorized officer.

A shareholder who has given a proxy may revoke it at any time before it is exercised. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing executed by the shareholder or by his attorney authorized in writing, or, if the shareholder is a corporation, it must either be under its common seal, or signed by a duly authorized officer and deposited at the Company’s Registrar and Transfer Agent, AST Trust Company Canada, 1600-1066 West Hastings Street, Vancouver, B.C. V6E 3X1, not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time of the Meeting, or any adjournment of it, at which the proxy is to be used. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

These security holder materials are being sent to both registered and non-registered owners of the securities. If you are a non-registered owner, and the issuer or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf.

By choosing to send these materials to you directly, the issuer (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions.

VOTING OF SHARES AND EXERCISE OF DISCRETION OF PROXIES

On any poll, the persons named in the enclosed instrument of proxy will vote the shares in respect of which they are appointed. Where directions are given by the shareholder in respect of voting for or against any resolution, the proxy holder will do so in accordance with such direction.

IN THE ABSENCE OF ANY INSTRUCTION IN THE PROXY, IT IS INTENDED THAT SUCH SHARES WILL BE VOTED IN FAVOUR OF THE MOTIONS PROPOSED TO BE MADE AT THE MEETING AS STATED UNDER THE HEADINGS IN THIS INFORMATION CIRCULAR. The instrument of proxy enclosed, when

properly signed, confers discretionary authority with respect to amendments or variations to the matters which may properly be brought before the Meeting. At the time of printing this Information Circular, the Management of the Company is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. However, if any other matters which are not now known to the Management should properly come before the Meeting, the proxies hereby solicited will be voted on such matters in accordance with the best judgment of the nominee.

In order to approve a motion proposed at the Meeting, a majority of greater than 50% of the votes cast will be required (an “**Ordinary Resolution**”) unless the motion requires a Special Resolution, in which case a majority of not less than 66²/₃% of the votes cast will be required.

ADVICE TO BENEFICIAL SHAREHOLDERS

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of the Shareholders do not hold their common shares in their own name. Shareholders holding their common shares through their brokers, intermediaries, trustees or other parties, or otherwise not holding their common shares in their own name (referred to in this Information Circular as “**Beneficial Shareholders**”) should note that only proxies deposited by Shareholders appearing on the records maintained by the Company’s transfer agent as registered holders of common shares will be recognized and acted upon at the Meeting. If common shares are listed in an account statement provided to a Beneficial Shareholder by a broker, those common shares, in all likelihood, will **not** be registered in the shareholder’s name. Such common shares will more likely be registered under the name of the shareholder’s broker or an agent of that broker. In Canada, the vast majority of such common shares are registered under the name of CDS & Co., the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms. Common shares held by brokers (or their agents or nominees) on behalf of a broker’s client can only be voted (for or against resolutions) at the direction of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting common shares for the broker’s clients. **Therefore, each Beneficial Shareholder should ensure that voting instructions are communicated to the appropriate party well in advance of the Meeting.**

Regulatory policies require brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholder meetings. The various brokers and other intermediaries have their own mailing **procedures** and provide their own return instructions to clients, which should be carefully followed by the Beneficial Shareholders in order to ensure that their common shares are voted at the Meeting. The form requesting such voting instructions (a “**VIF**”) supplied to the Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the Proxy provided directly to the registered Shareholders by the Company, however, its purpose is limited to instructing the registered shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder.

Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Investor Communications (“**Broadridge**”) in Canada. Broadridge typically prepares a machine-readable VIF, mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the VIFs to Broadridge (by way of mail, the Internet or telephone). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of common shares to be represented at the Meeting. **A Beneficial Shareholder cannot use a VIF to vote common shares directly at the Meeting. The VIF must be returned to Broadridge (or instructions respecting the voting of common shares must otherwise be communicated to Broadridge) or other third party in accordance with the instructions on the VIF well in advance of the Meeting in order to have the common shares voted. If you have any questions respecting the voting of common shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.**

Although a Beneficial Shareholder may not be recognized directly at a Meeting for the purposes of voting common shares registered in the name of their broker, a Beneficial Shareholder may attend the Meeting as Proxyholder for the registered shareholder and vote the common shares in that capacity. **Beneficial Shareholders wishing to attend the Meeting and indirectly vote their common shares as Proxyholder for the registered shareholder, should enter their own names in the blank space on the VIF provided to them and return it in accordance with the instructions provided by such party on the VIF.**

PART TWO – BUSINESS OF MEETING

FINANCIAL STATEMENTS

The audited financial statements of the Company as at and for the year ended December 31, 2018 (the “**Financial Statements**”), together with the Auditor’s Report thereon, will be presented to Shareholders at the Meeting. The Financial Statements, together with the Auditor’s Report thereon and the Company’s Management Discussion and Analysis, were mailed only to those Shareholders on the supplemental mailing list maintained by the Company’s registrar and transfer agent. Copies of the Financial Statements, together with the Auditor’s Report thereon and the Company’s Management Discussion and Analysis, Notice of Meeting, Information Circular and Proxy will be available on the SEDAR website at www.sedar.com and at the Company’s registered and records office at Suite 905 – 1111 W. Hastings Street, Vancouver, B.C. V6E 2J3.

ELECTION OF DIRECTORS

Management proposes, and the persons named in the accompanying form of proxy intend to vote in favour of, fixing the number of Directors at four (4). Unless a proxy contains express instructions to vote otherwise, it is intended that all proxies received will be voted in favour of the election of Management’s nominees for director. Although Management is nominating four (4) individuals to stand for election, the names of further nominees for Directors may come from the floor at the Meeting.

Each Director of the Company is elected annually and holds office until the next Annual General Meeting of Shareholders or until his successor is duly elected, unless his office is earlier vacated in accordance with the Articles of the Company. In the absence of instructions to the contrary, the shares represented by Proxy will be voted for the nominees herein listed. Management does not contemplate that any of the nominees will be unable to serve as a Director.

In 2013, the Company amended its Articles to incorporate advance notice provisions (the “**Advance Notice Provisions**”) as approved by the Shareholders of the Company at the Annual General Meeting held on September 5, 2013. The Advance Notice Provisions require advance notice to the Company in circumstances where nominations of persons for election to the Board are made by Shareholders of the Company other than pursuant to (i) a requisition of a meeting made pursuant to the provisions of the Business Corporations Act or (ii) a shareholder proposal made pursuant to the provisions of the Business Corporations Act.

The purpose of the Advance Notice Provisions is to foster a variety of interests of the shareholders and the Company by ensuring that all Shareholders, including those participating in a meeting by proxy rather than in person, receive adequate notice of the nominations to be considered at a meeting and can thereby exercise their voting rights in an informed manner. Among other things, the Advance Notice Provisions fix a deadline by which holders of Common Shares must submit director nominations to the Company prior to any annual or special meeting of Shareholders and set forth the minimum information that a shareholder must include in the notice to the Company for the notice to be in proper written form. A copy of the Company’s Articles containing the Advance Notice Provisions is available under the Company’s SEDAR profile at www.sedar.com.

As of the date of this Information Circular, the Company has not received notice of a nomination in compliance with the Advance Notice Provisions.

INFORMATION CONCERNING NOMINEES SUBMITTED BY MANAGEMENT

The Company expects all of its directors to demonstrate leadership and integrity and to conduct themselves in a manner that reinforces our corporate values and culture of transparency, teamwork and individual accountability. Above all, we expect that all directors will exercise their good judgment in a manner that keeps the interests of shareholders at the forefront of decisions and deliberations. Each candidate must have a demonstrated track record in several of the skills and experience requirements deemed important for a balanced and effective Board.

The following table sets out the names of the persons proposed to be nominated by Management for election as a Director, the province or state and country in which each person is ordinarily resident, the positions and offices which each presently holds with the Company, the period of time for which each person has been a Director of the Company, the respective principal occupations or employment during the past five years if such nominee is not presently an elected Director and the number of common shares of the Company which each beneficially owns, or controls or directs, directly or indirectly, as of the date of this Information Circular. Cease Trade Orders, Bankruptcies and Penalties and Sanctions

Except as described below, no proposed director including, any personal holding company of a proposed director of the Company is, as at the date of this Information Circular, or was within 10 years before the date of this Information Circular, a director, chief executive officer or chief financial officer of any company (including the Company), that:

- (a) was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days, that was issued while the proposed director was acting in the capacity as director, chief executive officer or chief financial officer; or
- (b) was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, for a period of more than 30 consecutive days, that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

Jay Sujir, and Ian Slater were on the board of directors and Ian Slater was an officer of Red Eagle Mining Corporation which is subject to a cease-trade order issued by the British Columbia Securities Commission on November 20, 2018 for failure to file interim financial statements, management's discussion and analysis, and certification of interim filings for the period ended September 30, 2018.

Other than as described below, no proposed director of the Company:

- (a) is, as at the date of this Information Circular, or has been within the 10 years before the date of this Information Circular, a director or executive officer of any company (including the Company) that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or
- (b) has, within the 10 years before the date of this Information Circular, become bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency, or become subject to or instituted any proceedings, arrangement or compromise with creditors, or had a receiver, receiver manager or trustee appointed to hold the assets of the proposed director.

Jay Sujir, Rob Pease, Robert Bell and Ian Slater were on the board of directors and Ian Slater and Chui Wong were officers of Red Eagle Mining Corporation (the "Red Eagle") which owned and operated the Santa Rosa mine in Colombia. Due to start up issues Red Eagle had difficulty servicing its project debt and the mine was only able to commence commercial production on the basis of forbearances from the secured lenders. In August 2018 Red Eagle obtained a firm commitment from a third party to refinance the debt with substantial concessions and co-operation from the secured lenders, but in October 2018 the third party defaulted on its commitment and as a result, the secured lenders withdrew their forbearances and appointed a receiver-manager over the assets of Red Eagle.

No proposed director of the Company has been subject to:

- (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority since December 31, 2000 or before December 31, 2000 the disclosure of which would likely be important to a reasonable security holder in deciding whether to vote for a proposed director; or
- (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable security holder in deciding whether to vote for a proposed director.

The Company does not currently have an Executive Committee of its Board of Directors.

APPOINTMENT AND REMUNERATION OF AUDITORS

PricewaterhouseCoopers LLP, Chartered Professional Accountants, will be nominated at the Meeting for appointment as independent auditors of the Company and remuneration to be fixed by the Board of Directors. PricewaterhouseCoopers LLP have been appointed auditors for the Company since October 28, 2016.

Unless contrary instructions are indicated on the proxy form or the voting instruction card, the persons designated in the accompanying form of proxy or voting instructions card intend to vote FOR the appointment of PricewaterhouseCoopers LLP and to authorize the Board of Directors to fix their remuneration.

APPROVAL OF STOCK OPTION PLAN

The Company has a “rolling” Stock Option Plan (the “**Option Plan**”) pursuant to which the Board of Directors of the Company may, by resolution, grant options to directors, officers and employees of, and consultants to, the Company or its subsidiaries. The purpose of the Option Plan is to provide effective long-term incentives to such parties in order to align their interests with those of Shareholders.

The Company’s “rolling” Option Plan was originally adopted by its Shareholders on September 4, 2013. At the Company’s 2018 Annual General Meeting, Shareholders passed an Ordinary Resolution approving the Company’s amended Option Plan dated October 24, 2016. A copy of the Option Plan is available upon request from the Company’s registered and records office at Suite 905 – 1111 W. Hastings Street, Vancouver, B.C., V6E 2J3. Pursuant to the policies of the TSX Venture Exchange (the “**TSX-V**”), all stock option plans that reserve for issuance up to 10% (instead of a fixed number) of a listed company’s Shares need to be approved by its shareholders on an annual basis. The rules of the TSX-V require that the Option Plan be approved by an Ordinary Resolution passed by a majority of the votes cast by holder of Shares of the Company present or represented by proxy at the Meeting. At the Meeting, the Shareholders of the Company will be asked to vote to approve the “rolling” Option Plan.

Summary of the Option Plan

The exercise price of options is determined by the Company’s Board at the moment of the grant and may not be lower than the Discounted Market Price as calculated pursuant to the policies of the TSX-V, or such other minimum price as may be required or permitted by the TSX-V. The aggregate number of Common Shares reserved for issuance pursuant to the exercise of Options may not exceed 10% of the outstanding Common Shares at the time of the granting of an Option, less the aggregate number of Common Shares then reserved for issuance pursuant to any other share compensation arrangement. For the purposes of the Option Plan, a “other share compensation arrangement” includes any stock option plan, employee stock purchase plan, RSU plan, DSU plan or any other compensation or incentive mechanism involving the issuance or potential issuance of Shares, including a share purchase from treasury which is financially assisted by the Company by way of a loan, guarantee or otherwise. The maximum period during which an option can be exercised is ten (10) years from the date of grant. Each option is personal to the optionee and may not be sold or transferred except by inheritance.

The Option Plan provides that if an Eligible Person (as defined in the Option Plan) (a) is terminated for cause, each option held by such person shall terminate and therefore cease to be exercisable upon such termination for cause (b) dies, each option held by such person shall be exercisable by the heirs or administrators of such optionee and will expire after the earlier of (i) the expiry date therefor; or (ii) six (6) months after the date of such optionee’s death; and (c) ceases to be an Eligible Person other than in the circumstances set out in subsection (a) or (b) above, each option held by such person shall terminate and shall therefore cease to be exercisable no later than the earlier of the expiry date therefor and the date which is 30 days after such event (provided that the Board may extend such period as provided under the Option Plan). At no time may an optionee exercise its rights beyond the maximum period of ten (10) years from the date of grant.

The Option Plan includes the following restrictions on Grants and Exercise of Options.

- (a) The number of Options granted to any one person in any 12-month period under the Option Plan and any other share compensation arrangement shall not exceed 5% of the issued Common Shares at the time of the grant, unless the Company has obtained disinterested shareholder approval (as defined in the Option Plan) to exceed such limit.
- (b) The aggregate number of Options granted to any one consultant in any 12-month period under the Option Plan and any other share compensation arrangement shall not exceed 2% of the issued Common Shares at the time of the grant.
- (c) The aggregate value of Options granted to any one non-executive director in any 12-month period under the Option Plan:
 - i. shall not exceed \$100,000, at the time of the grant; and

- ii. together with the aggregate value of awards to such non-executive under any other share compensation arrangement, shall not exceed \$150,000 at the time of the grant.
- (d) Unless the Company has received disinterested shareholder approval to do so:
- i. the aggregate number of Common Shares reserved for issuance to Insiders under the Option Plan and any other share compensation arrangement shall not exceed 10% of the outstanding Common Shares at the time of the grant;
 - ii. the aggregate number of Common Shares issued to Insiders in any 12-month period under this Plan and any other share compensation arrangement shall not exceed 10% of the outstanding Common Shares at the time of the grant.

The Board may amend any Option with the consent of the affected optionee and the TSX-V, including any shareholder approval required by the TSX-V. In accordance with the requirements of the TSX-V, Shareholder approval shall be obtained for any amendment that results in:

- (a) any reduction in the exercise price of an Option;
- (b) any cancellation and reissuance of an Option;
- (c) an increase in the maximum number of Shares issuable pursuant to the Option Plan (other than pursuant to Section 2 of the Option Plan);
- (d) an extension of the Expiry Date for Options granted to Insiders under the Option Plan;
- (e) other types of compensation through Share issuance;
- (f) granting rights to an Option Plan participant (a “**Participant**”) to assign Options;
- (g) the addition of additional categories of Participants (other than as contemplated by Section 2 of the Option Plan);
- (h) changes in eligible participants that may permit the introduction or reintroduction of non-employee directors on a discretionary basis; or
- (i) any amendments to this Option Plan that will increase the Company’s ability to amend the Option Plan without shareholder approval.

Shareholder Approval

The rules of the TSX-V require that the Option Plan be approved by an Ordinary Resolution passed by a majority of the votes cast by holders of Shares of the Company present or represented by proxy at the Meeting.

Shareholders will be asked at the Meeting to consider and, if deemed advisable, to pass, with or without variation, the Ordinary Resolution in the form set forth below:

“BE IT RESOLVED THAT:

1. Subject to the approval of the TSX Venture Exchange and any other regulatory approvals, if so required, the Option Plan as described in the Information Circular of the Company dated May 9, 2019 and all unallocated entitlements issuable pursuant to the Option Plan are hereby approved and authorized for issuance until the date that is one year from the date of the Meeting; and
2. Any one Director or officer of the Company is authorized and directed on behalf of the Company to execute all documents and to do all such other acts and things as such Director or officer may determine to be necessary or advisable to give effect to the foregoing provisions of this resolution.”

Accordingly, the Board of Directors and Management are recommending that the Shareholders vote FOR the approval of the said resolution that requires an affirmative vote of the majority of the votes cast at the Meeting in order to be adopted. Unless contrary instructions are indicated on the proxy form or the voting instruction card, the persons designated in the accompanying form of proxy or voting instructions card intend to vote FOR the approval of the resolution.

COMPENSATION DISCUSSION AND ANALYSIS

In accordance with the provisions of applicable securities legislation, the Company had two “Named Executive Officers” during the financial year ended December 31, 2018 (the “**most recently completed financial year**”), namely (i) Mr. Ian Slater, Chairman and CEO; and (ii) Mr. Chui Wong, CFO.

The Company’s Board of Directors is responsible for adopting appropriate procedures with respect to the compensation of the Company’s executive officers. The Board of Directors aims to ensure that total compensation paid to all NEOs is fair and reasonable and is consistent with the Company’s compensation philosophy.

The Board of Directors is also responsible for recommending compensation for the directors and granting stock options to the directors, officers and employees of, and consultants to, the Company pursuant to the Company’s Option Plan (as defined at Part Two).

Philosophy

The philosophy of the Company in determining compensation is that the compensation should (i) reflect the Company’s current state of development, (ii) reflect the Company’s performance, (iii) reflect individual performance, (iv) align the interests of executives with those of the Shareholders, (v) assist the Company in retaining key individuals, and (vi) reflect the Company’s overall financial status.

Compensation Components

The compensation of the NEOs comprises primarily (i) base salary; and (ii) long-term incentive in the form of stock options granted in accordance with the Option Plan.

In establishing levels of compensation, the Board of Directors relies on the experience of its members as officers and directors of other reporting issuers in assessing compensation levels taking into account the stage of development of the Company, the size of the Company’s assets, available capital, revenues, as well as the particular officer’s level of responsibility, duties, amount of time dedicated to the affairs of the Company and contribution to the Company’s long-term success. These other companies are identified in Schedule “C” of this Information Circular. The purpose of this process is to:

- understand the competitiveness of current pay levels for each executive position relative to other reporting issuers;
- identify and understand any gaps that may exist between actual compensation levels and market compensation levels; and
- establish a basis for developing salary adjustments and short-term and long-term incentive awards.

To date, no specific formulas have been developed to assign a specific weighting to each of these components. Instead, the independent directors consider the Company’s performance and determine compensation based on this assessment.

The Board of Directors has not conducted a formal evaluation of the implications of the risks associated with the Company’s compensation policies. Risk management is a consideration of the Board of Directors when implementing its compensation policies and the Board of Directors do not believe that the Company’s compensation policies result in unnecessary or inappropriate risk-taking including risks that are likely to have a material adverse effect on the Company.

Base Salary

The Board of Directors approve the salary ranges for the NEOs. The base salary review for each NEO is based on assessment of factors such as current competitive market conditions and particular skills, such as leadership ability and management effectiveness, experience, responsibility and proven or expected performance of the particular individual. The Board, using this information, together with budgetary guidelines and other internally generated planning and forecasting tools, performs an annual assessment of the compensation of all executive and employee compensation levels.

Option Based Awards

The Company adopted the Option Plan in order to provide effective incentives to directors, officers and senior management personnel and consultants of the Company and to enable the Company to attract and retain experienced and qualified individuals in those positions by permitting such individuals to directly participate in an increase in per share value created for the Company's Shareholders. The Company currently has no equity compensation plans other than the Option Plan. The Option Plan is an important part of the Company's long-term incentive strategy for its executive officers. The Option Plan is intended to reinforce commitment to long-term growth in profitability and shareholder value.

All option grants are approved by the Board of Directors. The size of stock option grants to officers is dependent on each officer's level of responsibility, authority and importance to the Company and the degree to which such executive officer's long-term contribution will be key to the Company's long-term success. Previous grants of stock options are taken into account when considering new grants.

In addition to recommending the number of options to be granted pursuant to the methodology outlined above, the Board of Directors also makes the following determinations:

- the recommended exercise price for each option granted;
- the date on which each option is granted;
- the vesting terms for each option; and
- the other material terms and conditions of each option grant.
- The Board makes these determinations subject to, and in accordance with, the provision of the Option Plan.

Use of Financial Instruments

The Company does not have a policy that would prohibit a Named Executive Officer or director from purchasing financial instruments, including prepaid variable forward contracts, equity swaps, collars or units of exchange funds, that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the Named Executive Officer or director. However, Management is not aware of any Named Executive or director purchasing such an instrument.

Compensation Governance

The Company has not established a formal compensation committee.

ITEM 4. ETHICAL BUSINESS CONDUCT

The Board has found that the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual

director's participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Under the corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Company or an affiliate of the Company, (ii) is for indemnity or insurance for the benefit of the director in connection with the Company, or (iii) is with an affiliate of the Company. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the Shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

ITEM 5. NOMINATION OF DIRECTORS

The Board of Directors is responsible for identifying individuals qualified to become new Board members and recommending to the Board new director nominees for the next annual meeting of the shareholders.
